Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The rules are needed to establish the criteria and procedures applicable to the following: submission and review of assurances by counties establishing accessible community advisory committees; reimbursement of travel and per diem expenses incurred by accessible community advisory committee members; solicitation, selection, oversight and evaluation of grants for locally initiated projects to improve awareness, inclusion and access for people who have disabilities.

Reasons supporting proposal: The proposal offers the minimum administrative process for counties that elect to form and maintain accessible community advisory committees, while still allowing the department the ability to manage the demands placed on the small and unpredictable accessible communities fund.

Statutory authority for adoption: Section 3, chapter 215, Laws of 2010, "(2) The commissioner shall adopt rules to administer this section."

Statute being implemented: RCW 50.40.073
