Reminder: The deadline is Jan. 15 for filing for an exemption for unemployment insurance for corporate officers in 2009. Otherwise, all corporate officers earning wages in Washington will be covered for purposes of unemployment insurance taxes. For more information, go to <http://tax.go2ui.com> and select „ Exempting corporate officers.„ Requests sent after Jan. 15 will not be effective until 2010 taxes. In order to process a request for exemption, we must also have a current list on file of your corporate officers.
